

Distinguished Service Award

Recognition of recent special contributions to pupil transportation contracting

In 1992, the NSTA Board of Directors established a new award to recognize school bus contractors who have been nominated for recent, significant, substantial, and special contributions to pupil transportation contracting.

NOMINATION

Either a state contractors' association or an individual NSTA contractor member may nominate.

REQUESTED INFORMATION

1. The nominator shall send NSTA:
 - a. The reasons this individual is being nominated; and
 - b. The names, address, phone and email of three persons who can verify the information in the nomination.
 - c. At least 3 photos of the nominee, including one in a professional setting and one in a less formal setting. Please email these photos to info@yellowbuses.org after you have sent in your application.

2. Confidentiality is preferred, since NSTA prefers the award to be a surprise to the recipient.

Recipients must accept the award in person at NSTA's Annual Convention, unless extenuating circumstances are approved by the Awards Work Team in advance.
