

Outstanding Driver Service Award

Recognition for exemplary safety performance, commitment to excellence in pupil transportation, and contributions to the community

In January 2002, the NSTA Board of Directors and Awards Committee initiated an award to honor the men and women who have done an exemplary job as drivers and role models for their communities. Through their efforts they have greatly enhanced the image of school bus drivers. The award is to be given to the individual who has provided service above and beyond the level of excellence drivers demonstrate. This is an award for those leaders who reached a pinnacle in their careers.

ELIGIBILITY

1. A driver's company must have been a member in good standing of NSTA for at least five consecutive years and a school bus contractor for at least five consecutive years.
2. A driver's company must be a member of the state contractors' association, if there is one.
3. An individual is eligible to win the award only once.
4. A driver must have exhibited excellence in pupil transportation.
5. A driver must provide proof of an acceptable driving record.

NOMINATION

Either a state contractors' association or an NSTA contractor member may nominate a driver.

1. The nominator shall send to NSTA:
